

SELAH'S CENTER OF HOPE & HOUSE HAPPENINGS

NEW FORMAT

We are adopting a new format for easy reading. We hope you like it and welcome any feedback. We are also, as previously mentioned, putting our newsletters out quarterly. While we understand the need to disseminate as much information as possible, short staffing makes monthly letters challenging. If you would like more information, please contact Kara directly

Welcome Baby Liam!

One of our moms delivered a healthy baby boy on August 30th. He is our 16th baby born into our program so far. Mom and baby are settling in at the Hope House as they start their new lives together.

Liam is another reason to thank God for our ministry and we thank YOU, the people who help make our mission possible. Without you, this situation might have had a different ending. Instead, Liam is here, as God intended. May his mom continue to look to Him for guidance in navigating this new journey of motherhood.

THANK YOU IAM CHURCH & FAIR HAVEN BAPTIST CHURCH

Selah's House is actually seeing blue everywhere. Our other 2 residents are also having boys due late September and October.

IAM Church and Fair Haven Baptist Church have kindly thrown both of them each baby showers to welcome their new blessings!

Selah's is so blessed to have such wonderful donors who live out their faith.

GRANT AWARDED

Selah's Center of Hope was the recipient of the DTE Foundation's Grant. This grant will help us support our Maternity Home programs and services to continue quality care and support services.

DONOR COMPANY SPOTLIGHT

Mid-American Group

Mid-American Group is the one source for all of your industrial application needs. Whether your project requires gun-iting capabilities, general labor, shotcrete installation, steel reception, boiler repair, or construction, we will provide the most responsive labor and above all, the most cost-effective solutions. Guaranteed.

With more than 275 years of combined senior management experience, Mid-American Group has the people, resources and know-how to complete your project—on time and on budget.

We work tirelessly—with employees on stand-by 24 hours a day, 7 days a week, to provide the most innovative, cost-effective and safe solutions to fulfill every customer's need, no matter how big or small. At Mid-American, customer satisfaction is our top priority.

With service center located throughout the Midwest and Canada, our expertise will translate into solutions that work specifically to fit your needs.

Visit Mid-American Groups website at midamericangroup.com for more information.

KARA'S CORNER

I can't believe I've just sent my children back to school and summer is already over. But with the change of seasons comes BIG changes in the house. It's been awhile since we've had a newborn so having 3 within 3 months is surely to bring many changes, especially right before the holiday season. However, that is what we prepare for and why we are here, to create a safe, calm, and comfortable place where these mothers can live while focusing on their baby instead of in a shelter or on the street.

So, as fall begins and everyone gets back to normal, please pray for our moms. Pray for safe deliveries for our 2 moms. Pray for guidance as new mothers. Pray for the Holy Spirit to give them strength with any struggles they face.

God's Blessings

Kara

VOLUNTEER SPOTLIGHT

We are happy to welcome volunteer, Teri Shinevarre, as our Volunteer Coordinator. She'll be ensuring coverage for volunteers for smart grocery shopping, transportation to appointments, babysitting, organizing donations, tutoring, and so much more. We are blessed having her in our arsenal.

Teri has 2 children, a grown son and daughter, along with 7 grandchildren. She enjoys quilting and reading in her spare time. She has chosen to volunteer at Selah's to give back to the community and be there for women who need love and support.

SELAH'S SUPPORTS COMMUNITY RAW PROGRAM

Selah's CEO, Kara Dowler, and 2 other employees, attended the First Annual (Recovery Advocacy Warriors) held on September 8th in support of the local RAW RECOVERY program of Monroe County with a '20 Theme.

RAW is a holistic peer-based recovery solution for opioids addiction in Monroe County.

*For I was hungry, and you gave Me something to eat; I was thirsty, and you gave Me something to drink; I was a stranger, and you invited Me in.
(Matthew 25:35)*
